COMPANY PROFILE

Nando is an international trading company that is working in the Decoration industry

FOCUSED ON CERAMICS' EXPERTISE

Nando is an international trading company that is working in the Decoration industry. Specializing in ceramic and porcelain wall and floor tiles. We are supplying more than 10 million square meters of tiles to our target markets. Our products are produced in 10 production plants based in Iran with high quality and standards according to ISO and CE.

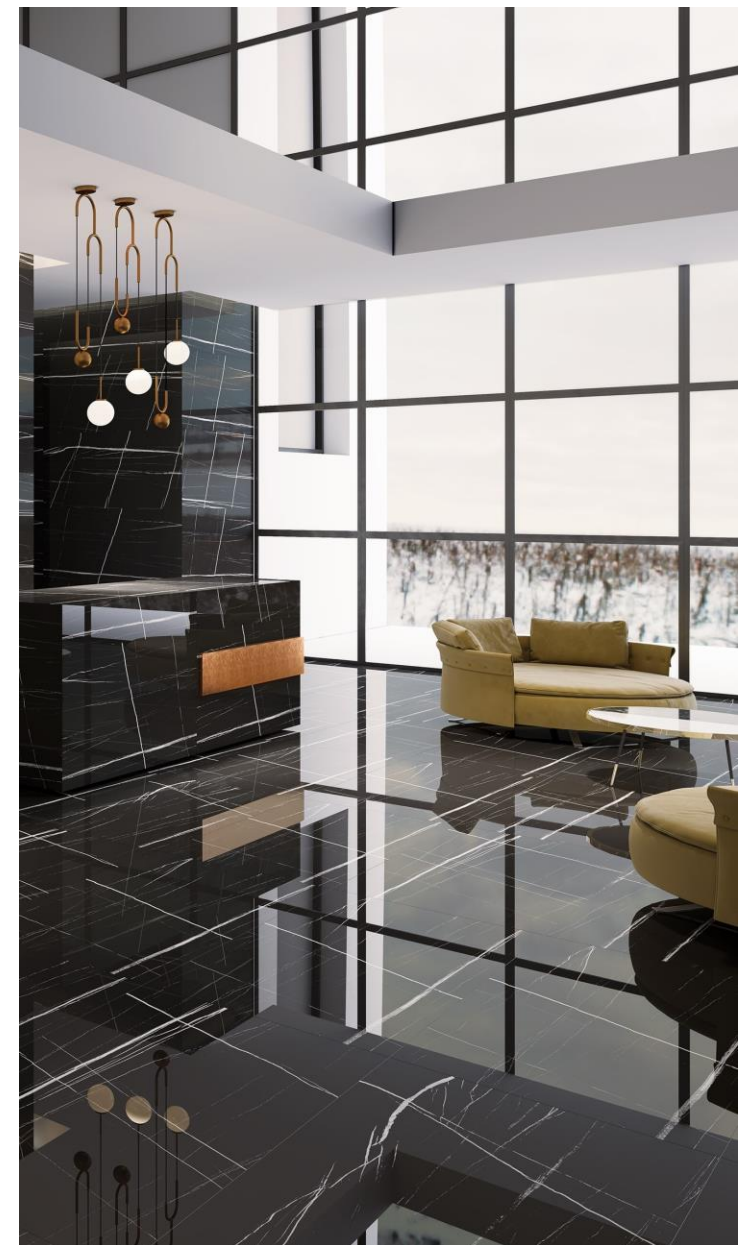

We are a limited liability trading company founded in 2021 and headquartered in Dubai, UAE. Our clients are in more than 20 countries through our network of operational hubs in East Europe and the Middle East. Our target markets are Europe, the Middle East and North Africa, Asia, North, and South America, and Australia.

We are committed to achieving sustainability by providing products and services from the supply chain to our clients. to achieve this sustainability we need to:

Provide our clients with competitive and premium quality products and services.

To seek growth through new ideas, new products, and strong partnerships.

To continuously improve our business processes leading to prompt and efficient sales and after-sales services.

OUR EXPERTISE

What Makes Us Different

As a corporation, we bring the optimum solution for any requirement of construction and decoration projects.

- **EXPERIENCE**

We provide integrated ceramics solutions with attention to every detail, no matter how large or small.

- **WIDE RANGE**

We are known for our wide product range and our ability to supply bespoke ranges for both small and large-scale projects, enabling our clients to bring their ideas to life.

- **INNOVATION**

Innovation is at the heart of our philosophy and we have continuously led the way in terms of product development, using a wide range of technologies at our manufacturer's plants.

- **QUALITY**

We are able to consistently supply high-quality products with an impeccable finish. Our quality, combined with passion and expertise enables us to provide a wide range of integrated ceramics solutions.

TECHNICAL INFORMATION

Ceramic Tiles

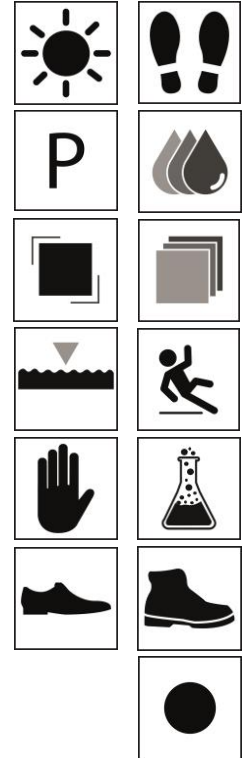

With the different demands which our clients requested we can provide the best quality/price solution. According to the international standards, we can provide different technical details which you can find below:

TECHNICAL INFORMATION

TEST DESCRIPTION (Wall Tiles)	International Specifications (ISO13006)	Nando Specifications
Deviation in length	±2 mm	Max ± 1 mm
Deviation in Thickness	± 0.5 mm	± 0.5 mm
Straightness Of Side	± 1.5 mm	± 0.5 mm
Rectangularity	± 0.5 %	± 0.2 %
Surface Quality	A minimum of 95 % of the tiles shall be free from visible defects that would impair the appearance of a major area of tiles	A minimum of 95 % of the tiles shall be free from visible defects that would impair the appearance of a major area of tiles
Modulus Of Rupture (N/mm2)	Min 12	Min 15
Water Absorption	E >10 %	E >10 %
Breaking strength in N	Min 600	Min 1200
Frost Resistance	Required	Required
Thermal Shock Resistance	Required	Required
Thermal Expansion	7*10 ⁻⁶ K ⁻¹ , max	7*10 ⁻⁶ K ⁻¹ , max
Crazing Resistance	Required	Required
Stain Resistance	Min class 3	Class 5
Chemical Resistance	Minimum GB	CLASS AA

TEST DESCRIPTION (Porcelain Tiles)	International Specifications (ISO13006)	Nando Specifications
Deviation in length	± 0.5 %	± 0.1 %
Deviation in Thickness	± 0.5 mm	± 0.5 mm
Straightness Of Side	± 1.5 mm	± 0.5 mm
Rectangularity	± 0.6 %	± 0.1 %
Surface Flatness	± 0.5 %	± 0.2 %
Surface Quality	A minimum of 95 % of the tiles shall be free from visible defects that would impair the appearance of a major area of tiles	A minimum of 95 % of the tiles shall be free from visible defects that would impair the appearance of a major area of tiles
Modulus Of Rupture (N/mm2)	Min 35	Min 40
Water Absorption	E ≤ 0.5 %	E ≤ 0.5 %
(Breaking strength in N) Thickness ≥ 7,5 mm	Min 1 300	Min 3000
Frost Resistance	Required	Required
Thermal Shock Resistance	Required	Required
Thermal Expansion	7*10 ⁻⁶ K ⁻¹ , max	7*10 ⁻⁶ K ⁻¹ , max
Abrasion Resistance	Report abrasion class	Matt : 3 Glossy : 1
Crazing Resistance	Required	Required
Stain Resistance	Min class 3	Class 5
Chemical Resistance	Minimum GB	CLASS AA

CERAMIC SIZES

We provide a wide range of ceramic sizes which can be used in any interior and exterior.

12×24	Hexa (24×24)
30×60	30×90
33×100	40×120
40×40	60×60
60×120	80×80

OUR BUSINESS

Our Story

Nando is an exclusive way of enjoying your home. A quality choice having its origins in the love of raw materials and in the extraordinary manufacturing skills of its craftsmen. An expression of taste, characterized by timeless products that recover and reinterpret the best tradition and contemporary design. The company offers everything you need to make every place a home where you feel well and wish to come back.

Our background in the ceramic, kitchen, and furniture industry has provided us a trusted platform in the current property market to prepare solutions for our clients. We are a team of professionals who are giving solutions to have a high-end look of spaces with optimum quality.

Our Inspiration

The unique, original, and timeless style by Nando exalt many ways of interpreting beauty and express them in the great contemporary designs inspired by natural elements. Natural stones, woods, sands, and other natural materials always remembering our Intrinsic. In our products, you can find your natural instincts.

OUR SERVICES

- **In-House Design Team**

Our highly creative design team is here to bring your vision to life. This starts with creating a 3D model of the room or structure you want to enhance. This allows you to actually see how our products will look when the project is complete. You'll be able to make decisions with greater confidence and attain your dream home with less stress, time, and effort.

- **Project Solutions**

We have extensive experience in completing stunning interior and exterior design projects all over the world. We are able to create and deliver project solutions for design contractors and adapt our product range to their specific needs. Not only will this increase the quality of the completed project, but it significantly reduces their production costs as well.

- **International Market**

We supply our product and services to different countries – for both design projects and for resale distribution.

- **Logistical Solutions**

Maintaining an international supply chain is always a challenge, so to maintain our high standards we have a dedicated department for taking care of every logistical aspect. They'll work with you every step of the way and provide you with peace of mind by providing regular updates.
